

## **Charlie's Guys Governing Board and Volunteers**

[Kjerstin Davies](#), Co-founder/President, Board Member

*Kjerstin brings her expertise to the organization as a former event planner and child educator.*

[Shaun Davies](#), Co-founder/Vice President + CFO, Board Member

*Shaun brings his financial expertise to the organization as an associate professor of finance at the University of Colorado.*

[Tory Leggat](#), Secretary, Board Member

*Tory works at a tech company in Boulder that aims to leverage technology to accelerate personal growth through relationships. Other than her work she is passionate about people and the communities that surround them. She's excited to be a part of the community that can come around children who are grieving and honored to be a part of the Charlie's Guys mission.*

[Allie Bell](#), Chief Administrative Officer, Board Member

*Allie graduated from the University of Colorado at Boulder with a degree in Speech, Language, and Hearing Science and a minor in Education. She also has her masters in early childhood education. Allie has a passion for children and brings an enormous amount of skill to the organization.*

[Jennifer McCoy](#), Board Member

*Jennifer is the owner of SideSource and has served as outside Controller/VP Finance for a portfolio of clients, including lawyers, manufacturers, energy consultants, engineering firms, and others. She graduated with a BS in Chemistry/Mathematics and an MBA from Chapman University.*

[Monika Powell](#), Chief Technology Officer

*Monika handles all of the graphics and our Annual Impact Summary Report. She brings over 15 years of experience in consulting, along with a passion for her creativity and technology to the organization.*

Sami, Volunteer Intern

*Sami handles Charlie's Clubhouse, the pen pal program, and other tasks. She is studying Psychology at Florida International University. She is a former Disney cast member and aspires to become a child life specialist. She is excited to be joining the Charlie's Guys team to help bring happiness to families during challenging times.*

Kayla, Volunteer Intern

*Kayla handles all of our NICU/PICU gifts and testimonials. She is from Nashville and graduated from Western Kentucky University with a BA in psychology. She is currently working towards her masters degree at East Carolina University with the hopes of becoming a Child Life Specialist. She is beyond excited to be volunteering with such a meaningful organization.*

Taylor, Volunteer Intern

*Taylor is in charge of contacting referrals and researching gifts/experiences for Charlie's Guys. She is from Greenville, SC and graduated from USC Upstate with a BA in Psychology and a minor in Child Advocacy. She is currently in graduate school at the University of Minnesota studying Applied Child and Adolescent Development, Child Life Track. Taylor hopes to become a Child Life Specialist and is excited to use her experiences here at Charlie's Guys to help better serve her future patients going through similar situations!*

Sophie, Volunteer Intern

*Sophie is from Eden Prairie, Minnesota. She is currently attending the University of Kansas, studying psychology with a minor in applied behavioral science. She is working towards attending graduate school once she gets her undergrad to become a child life specialist. Sophie is very passionate about children and hopes to bring them and their family joy in the midst of grief. She is looking forward to the experience I will gain through volunteering at Charlie's Guys.*

Lauren, Volunteer Intern

*Lauren is from Chicago, IL and graduated with a BS in Human Development and Family Sciences from Illinois State University. She currently works as a pediatric neuropsychology technician and is in the process of getting her Master's degree from Missouri State University. Lauren is planning on becoming a certified child life specialist upon graduation and is excited to be a part of such an inspiring organization that helps children and their families.*
