

## 2025 Impact Summary

# A message from our founders

Since inception, we have received over 4500 bereaved children referrals and have a presence in all states with the exception of Hawaii (if you know of a bereaved family in Hawaii, please refer them!). We continue to build an incredible community that supports us through referrals and donations.

Thank you for continued support and contributions. Your support is what allows us to grow and expand. This year we hosted our first ever family overnight bereavement camp in Jamestown, Colorado. As we look ahead into 2026, we hope to continue to grow and serve children to support them as they deal with loss and grief.

Here's to a hopeful 2026, thank you for being part of the Charlie's Guys community!
