About Us

Charlie's Guys is organized for children 18 years and younger who have lost a sibling or loved one.

Our mission is to remind children who have lost a loved one that they are loved and not forgotten and to provide them with support during their grief journey.

The organization was born out of the generosity the founders received when their son, Charlie, passed away at 23 months. Their older son was showered with love and compassion in the form of gifts, clothes, books, and experiences.

This generosity made their pain more manageable and they were able to see love amid loss. Now, they want to give back to those who are also impacted by tragedy.
